

CHASE & HUNT

CONSULTANCY

— Solutions For Hire —

Our Vision & Mission

VISION

- Our vision is to become the preferred Recruitment & Talent Acquisition Partner of choice for the leading employers of the region

MISSION

- To deliver quality to both our clients and candidates (job seekers)
- To achieve this, we are committed to providing excellent service, quality customer experience and cost reduction
- Improve the competences, profitability and productivity of our clients by providing effective solutions for talent acquisition, talent management and training

Who Are We?

Chase and Hunt Consultancy is a boutique Executive search & Recruitment company based in UAE.

We specialize in identifying and head-hunting specific candidates based on clients customized requirements with minimized timeframes

We serve a multicultural client base and our clients which includes large multinational, and international companies, entrepreneur-led organizations and even small and medium sized enterprises

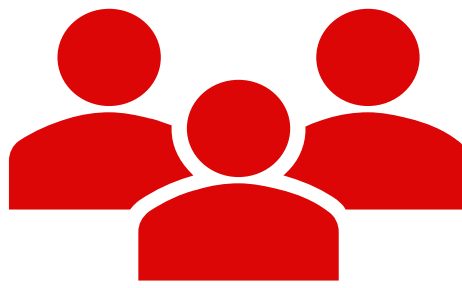

We provide a complete range of services related to assisting clients with identifying and selecting human capital as per their specific requirements and integrating with their existing recruitment process seamlessly.

The professionally qualified people behind the company have a strong experience in providing recruitment & human capital solutions across various sectors.

We have a global perspective and strong local knowledge to cater to all types of requirements across various industry segments.

Our Team

- We have a dynamic and enthusiastic Management Team with 20+ years of collective professional and business experience to provide consistent value to our clients and business process
- The company also has a non-executive advisory panel of senior experts from various Industry Sectors who add considerable value to functioning methodology and extends our reach and network to various parts of the world
- We have an experienced team of consultants specializing in a wide range of sectors like Retail, IT, Banking, FMCG, Telecom, Digital, Fintech, Engineering and more
- We also have our associate consultants across GCC, India, South Africa, Nepal, UK and other countries in South East Asia like Singapore and HKG
- We believe its the quality of our people, our network and the personalized service that gives us an edge to serve the clients better

EXECUTIVE DIRECTOR

ATUL JAIN

30 years plus experience in Banking, Financial Services, Marketing & Communications and Developing Businesses on a global level. A post graduate in management studies (MBA, Premium Business School) with more than 25 years' professional experience including 21 years Middle East experience in a multicultural environment. Currently Director of Chase & Hunt Consultancy in Dubai, started his career with Citibank and worked for them in India and Southeast Asia in Marketing and Business Development. His professional experience includes working with global flagship Business Houses like the Aditya Birla Group in India before moving to the Middle East.

In GCC he has worked with leading banks and institutions like Bank Muscat, EmiratesNBD, RAKBANK and Amlak in a wide range of strategically important roles. This included creating the first online bank super brand meBANK for Emirates Bank International. He now leads Chase & Hunt Consultancy as a Director with the responsibility for Executive Search, Head Hunting, Senior Mandates and Talent Management along with leading a consulting business in strategic marketing.

MANAGING DIRECTOR

VIBHA JAIN

A qualified and experienced professional with a strong background in IT, consulting and training. As a Computer Science Engineer, she started her career with Birla Consultancy Services in Mumbai in 1993 as an IT Consultant. She then moved on to become one of the first few "Value Added Consultants" for TCS for their legendary software product innovations team. She was then approached by TCS as well as Tata Unisys to headhunt some specific talent which led her to start her own consulting and Executive Search firm in India.

She led the company and gained several years of experience in recruitment, talent management and headhunting. Moving on to the Middle East, she led her own company in Muscat, Oman for 3 years focused on training senior level professionals in IT Management as well as soft skills and best practices in recruitment and talent management. Chase & Hunt Consultancy started in 2010 in Dubai and for more than 10 years now, she is the MD of Chase & Hunt Consultancy and leads the operations, delivery, client management and business development functions.

What Do We Bring To The Table?

On ground presence and experience of 20 years in the middle east with a solid track record of more than 10 years in UAE
